I do not. Now that the legislature is out, we're moving through things a bit faster, but Anaconda is taking up a lot of our Administrator's time...

I'll keep you posted.

Great! Any idea how long it might take to go thru the review chain?

Hi Rebecca, I just sent the files for the exhibits about 20 min. ago. One of the files was 15 MB, so I wanted to confirm that you received all three exhibit files and the MOA file (four files total).

Eugenia,

Before I can send this through our management, including our legal division, I will need the attachments.

Thanks,

Hi Dave and Rebecca,

Here's the draft final version of the MOA that I plan to send to SHPO shortly. It's been reviewed by ORC and our NHPA specialists. Please route through your folks as needed and let me know if you have any concerns/comments. Please note that there will likely be changes after we discuss and negotiate w/the SHPO.

I will send the attachments separately next week as I still need to review the discovery plan.

Thanks,

Eugenia
